

Please join us in a concert by distinguished mezzo soprano Elizabeth Campbell and pianist Gabriella Smart.

The afternoon will be a rare opportunity for music enthusiasts to hear a sublime collection of lieder and classical songs. The venue is the beautiful Carclew House which is rarely opened for public concerts.

To ensure the legacy of the ECF, we will be announcing an exciting fundraising project at the concert. To maximize the tax deductibility of donations, no attendance fee is required but your donations will be most welcome on the day.

You may prefer to donate sooner online via the Australian Cultural Fund website at: australianculturalfund.org.au/projects/soundstream-emerging-composersforum-2018/ or through Esther Gyorki, Program Administrator on (03) 9616 0326.

To register your attendance: Please contact Mark Patterson on mark@gopattersonfilms.com or call 0409 673 582
